RECEIVED
NOV 10 2005
CITIZENS CLEAN ELECTIONS
COMMISSION

Todd Lang, Director
Genevra Richardson, Campaign Finance Manager
Arizona Clean Elections Commission

Dear Mr. Lang and Ms. Richardson,

I would like to request that the Clean Elections Commission reopen the file concerning my campaign for legislature in the 2004 cycle. I did not receive the information sent to me from the Commission via FedEx - and I did not have the opportunity to respond to the Commission's requests.

The packets were sent to my mother-in-law's house in Flagstaff, and while I did request that a FedEx be sent there last summer while I was out of town, it is not an address where I normally receive mail.

I received no communication via e-mail or cell phone from the Commission.

I have resolved the findings of the auditor, and I would like to resolve any outstanding issues with the Commission, as well as discuss the rather large fine assessed.

Thank you for your consideration.
